ASSISTED LIVING APARTMENTS

Our Assisted Living neighborhood has luxurious studio, one and two bedroom apartments.

Assisted Living enables residents to be as independent as desired with the safety net of 24-hour care available to truly lead a **Life in Harmony**. Melody Living uses the latest in technology so that care is not intrusive. Easy to understand fees means you don't pay for services you don't need.

MEMORY SUPPORT

We provide a secure environment that ensures safety while empowering residents to engage in growth and exploration at their tempo.

Our highly trained memory support team's priority is to provide a comfortable and welcoming atmosphere that embraces each resident's abilities rather than their limitations to live a **Life in Harmony**.
